1 Farm Town Simulator

A slow, cozy farming and town-building simulation. Grow crops, expand your town, and work toward long-term goals at a relaxed pace.

https://claude.ai/code/artifact/f8efa72d-400c-4318-acd0-d88ced1f40f7

2 Flappy Road

A 3D hopping game in the style of Crossy Road, starring a determined little chicken. Dodge traffic, cross the road, and chase a new high score.

https://claude.ai/code/artifact/3c49aae3-423f-4c3f-a149-3c41b34dbab4

3 PolyLap

A fast low-poly racing game. Race across multiple tracks and rack up laps to unlock new cars in the shop.

https://claude.ai/code/artifact/b3c4367f-f1da-41d7-8d68-776b4a155fac

4 Slipstream

A go-kart racer where you take on AI karts and pick from a roster of nine. Best played on a desktop computer.

https://claude.ai/code/artifact/146589a9-3f2b-45df-97d1-2db7f480e18f

5 Skyfall

A single-player battle royale against AI opponents. Skydive onto an island, scavenge chests for gear, and outlast 24 rivals as the storm closes in.

https://claude.ai/code/artifact/6b1c79d8-1674-4751-b6ba-152d7419054a

6 Orbit Hop

A one-button timing game. Circle a planet, release at the right moment, and catch the next orbit. Planets shrink and drift apart the longer you last, and a daily map means everyone plays the same run.

https://claude.ai/code/artifact/3bf6e021-9d89-434b-9827-192baa6da7e1

7 Paper Plane

A calm, endless glider. Fly a paper plane through canyons, ride thermals to stay aloft, and thread glowing rings to build your score.

https://claude.ai/code/artifact/62df43ce-d87a-4d61-ae09-cf334c79ab8f

8 Sand Garden

A calm, no-fail zen tray. Drag a rake through fresh sand, set stones, and smooth it all flat again. Every sound follows your movement, and your garden saves on your device.
